

Call 911 for Emergencies Only

If someone is about to die, call 911.
If a robber is in your house, call 911.
If someone is hurting a child, call 911.
If a car runs over a person, call 911.

When you call 911, use just a few words.
Tell what you see—what is wrong.
Do whatever 911 tells you to do.

Practice Making a 911 Call

You see a boat on fire. It is tied to the dock.
You call 911. What will you say?

Comprehension Check

Which of the following is an emergency?
