Officer: Do you know why I stopped you?

Driver: *No. What's the matter?*

Officer: Your right rear light is out.

Driver: *Please say it again. I don't understand.*

Officer: The right light in back of your car is not working. Get it fixed right away.

## Conversation 2

Officer: I need to see your license, registration, and proof of insurance card.

Driver: *What's the matter?*

Officer: You were speeding.

Driver: *I don't think so, Officer. I was going 45.*

Officer: Yes, you were going 45. But that's a 35-mile-an-hour zone. I'll have to give you a ticket.
